

EVENTS DIGITAL DISPLAYS

CONTENT MANAGEMENT SOLUTION

PROBLEM

Contents and **visuals** is what creates the atmosphere and theme for any events. Hence having the ability to have full control and accessibility to changing such content is currently **impossible** with prints.

PROBLEM

PRINT MEDIA

Static and
unappealing
content

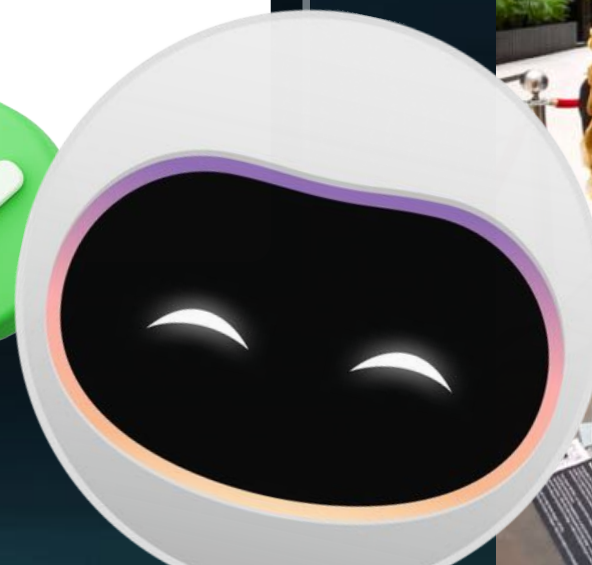

DIGITAL DISPLAYS

Non-dynamic content
i.e. fixed content
throughout the event

SOLUTION

Mobile cloud-based
Content Management
System (CMS)

CONTENT CAN
DYNAMICALLY
BE UPDATED
ON-DEMAND

SOLUTION

**User-friendly
mobile-based system**

**Ultra-fast content
upload speed**

Scheduled content

**Supports all major
media formats**
