

Content Management System

Retail Digital Displays

Singapore

Malaysia

Thailand

Philippines

Taiwan

Japan

Australia

New Zealand

Problem

Every retail business struggles with the same issue when it comes to **promotional signages and displays.**

The **inconvenience** of content management

Marketing Department

Marketer

Designer

Print Media

Poster | Standee | Printout

Single-use only:
Contents are **not editable**

Costly & time-consuming to
fabricate: Print media are for
Single-purpose use only

Non-dynamic display:
Static and **non-illuminated** images

Digital Media

TV Screens | Digital Signages | Kiosk

Hassle to upload content: Transfer
graphic files from computer to flash
drives then to display device

Operation disruption:
Downtime during content upload

Difficult to coordinate content
with multiple locations

Solution

Mobile Cloud-Based Content Management System (CMS)

Cloud Storage:
Unlimited

Features:
**SME & Enterprise
Level**

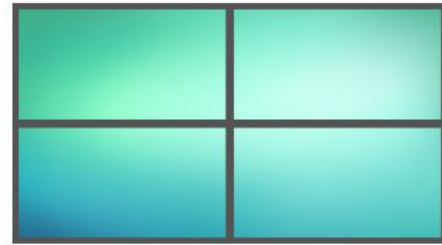

Dashboard:
**Mobile & Desktop
Interface**

Large Format Digital Display

**LED
Wall**

**Video
Wall**

**Kiosk
Display**

Conducting a thorough assessment of requirements is essential for the preparation of a comprehensive costing proposal.
